An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. S. Peter Ludwig on 09 June 2005.

The application has been amended as follows:

Claim 1, line 1, insert "and purified" between "isolated" and "nucleic".

Claim 2, line 1, insert "and purified" between "isolated" and "polypeptide".

The amendment more clearly defines the invention, and leaves no doubt that the claimed compounds have been purified.

The following is an examiner's statement of reasons for allowance: Applicants have been granted priority.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The Examiner has provided another copy of the information disclosure statement of 5/9/2002, on which US 6013625 has been initialed as considered.
